Grand Forks 2045 Land Use Plan Open House

The City of Grand Forks and the GF-EGF Metropolitan Planning Organization have been working to update the Grand Forks Land Use Plan, which guides the city's growth and development over the next 30 years. We need your ideas, guidance and feedback!

An open house will be held on June 28, 2016 to get your thoughts on draft concepts for three pilot sites (first discussed in February), as well as the draft plan as a whole. Please come, see what the project team has been up to, and share your ideas!

We'll be talking about the draft concepts for the three pilot sites (Grand Cities Mall, South Columbia Road and the Water Treatment Plan site near downtown) as well as how public input has been used to develop the overall plan.

Drop in and share your ideas!

TUESDAY, June 28, 2016, 4:00-7:00 PM

1601 17th Ave S (Hope Church Connection Center)
